Every Tuesday organized transfer

PRICE: 140,00 kuna

PRICE INCLUDES: Transfer to Podgora and back, welcome drink, guided olive oil factory tour, olive oil and local food menu with a glass of wine.

You are just a few steps from the wonderful story of olive oil production.

Join us at Olive oil Tasting 'n' Factory Acinger and experience an unforgettable taste and smell through high quality products from which you will discover the tradition, effort and hard work of local people.

Visit Podgora, and we'll welcome you with an aperitif drink and tell you an interesting story of the centuries-old tradition of olive growing in Dalmatia. We offer you expert guidance through our modern oil factory and show you how the oil production looks like, from olives to liquid gold - olive oil.

In tasting room we will continue the story of production through the historical images of our ancestors. You will have the opportunity to taste more than one sort of olive oil and local wine varieties in combination with quality cheese and other high quality local food and products.

Visit Podgora, get to know the tradition, taste the Mediterranean and bring a piece of Dalmatia back home with you!
